Supervisory Committee

Columbine Federal Credit Union currently has two openings on our Supervisory Committee. As a member/owner of Columbine FCU, you may be eligible to hold one of the positions.

The Supervisory Committee is responsible for independently evaluating the strength and soundness of Columbine's operations and activities. The basic requirements to serve on the Supervisory Committee are that you are at least 18 years of age and that you would be willing to serve without compensation.

A Nominating Committee has been chosen to select the best-qualified candidates for the available positions. If you're interested, please write to:

Upon receipt of the letter of request, a Nominating Committee Representative will contact the interested member.

The two positions will remain open until they are filled.
